

Job Recruitment Portal — User Manual

Version: 1.0 baseline

Audience: Candidates, Recruiters, Administrators

This manual describes the approved baseline. The application-retraction procedure is not published until CR-001 is approved and implemented.

1. Candidate Guide

Register

1. Open the JRP registration page.
2. Enter your name, email, and password.
3. Select **Create Account**.
4. Sign in with the registered credentials.

Update your profile

1. Sign in as a Candidate.
2. Open **My Profile**.
3. Update contact details, skills, and resume information.
4. Select **Save** and confirm the success message.

Search and view jobs

1. Open **Jobs**.
2. Enter a keyword and/or location filter.
3. Select a job from the results.
4. Review the description, location, and closing date.

Submit an application

1. Open a published job before its closing date.
2. Select **Apply**.
3. Review the application confirmation.
4. Confirm submission.
5. Open **My Applications** and verify the new application shows **Submitted**.

Track application status

1. Open **My Applications**.
2. Locate the job.
3. Review its current status: Submitted, Under Review, Interview, Rejected, or Hired.

2. Recruiter Guide

Create and publish a job

1. Sign in as a Recruiter.
2. Open **My Jobs** and select **Create Job**.
3. Enter title, description, location, and closing date.
4. Save the job, review it, then select **Publish**.

Review applicants

1. Open **My Jobs**.
2. Select a job you own.
3. Open **Applicants**.
4. Select an applicant to view the application and permitted profile details.

Update application status

1. Open the applicant record.
2. Choose the appropriate status.
3. Save the change.
4. Confirm the updated status is displayed.

3. Administrator Guide

Manage an account

1. Sign in as Administrator.
2. Open **User Administration**.
3. Search for the account.
4. Activate/deactivate the account or assign a supported role as authorized.
5. Save the change.

Review audit events

1. Open **Audit**.

2. Filter by actor, action, entity, or date when available.

3. Review the recorded timestamp and event details.

4. Troubleshooting

Issue	Resolution
Cannot sign in	Verify email/password and confirm the account is active.
Apply button unavailable	Confirm the job is published, not closed, and you have not already applied.
Cannot edit another recruiter's job	Ownership restrictions are expected under BR-004.
Status appears unchanged	Refresh the record; if still incorrect, report the application ID to support.

5. Change History

Version	Change
1.0	Initial baseline manual aligned to SRS 1.0
